13 The note under para 9 of the Commissioner's report shows that there was no idea of exempting the tenants of Palace and Govt buildings from payment of the charges in question. These were substituted for excess water and metre charges that the tenants had been paying before. The Govt contribution of 1/3 of the maintenance charges is meant to cover the cost of water supply to Palace & Govt buildings

No. 5681 Mysore 29th June 1928

From

the Maharaja of Mysore.

To

N. Madhava Rao, Esq., B.A., B.L., Mul. 84-26-15
Chief Secretary to the Government of
H.H.the Maharaja of Mysore, Bangalore.

Sir,

Reference:- Government Order No. L.4285-8/ML.84-26-6 dated 4-7th January 1927 regarding the water supply to the Mysore City.

I have the honor to state that in a note to the 9th recommendation of the Committee, it is proposed that the fees for house service connections may be levied on Palace Buildings in the occupation of the tenants. As the Government order has generally sanctioned all the proposals of the Committee, the Municipality have issued notices asking that water charges be paid for such buildings.

Under Rule 13 of the Vani Vilas Water Works Rules as sanctioned by Government in their Notification No. 773-5276 dated 29th June 1918, the fee now charged is recoverable from the landlords in Mysore City and not from the tenants and as such it is the Palace that will have to pay this rate. According to the recommendations of the Committee, Government and Palace buildings are to be supplied with water free of cost on payment of a contribution by Government of ⅔ of the cost. Government as a matter of fact, raised the contribution to 1/3 and as such fees for water supply are not leviable on any Palace or Government building.

As the Palace is exempt from all taxation, I request you to kindly obtain definite orders of Government on the point raised by me.

I have the honor to be,
S i r,
Your most obedient servant,

For Huzur Secretary.
